PROFESSIONAL EXPERIENCE

Recruitment Specialist Assistant, AddWorth **2021 - 2022**

- Assisted in collecting, organizing, and analyzing data for multiple research projects, ensuring accuracy and consistency throughout the research process
- Collaborated closely with team members to validate findings, maintain data relevance, and support the delivery of reliable and well-informed research outputs.

Outreach Consultant, WorkEdge **2023 - 2024**

- Provided strategic guidance on outreach planning, execution, and best practices to improve engagement and response rates.
- Analyzed outreach performance data and communication approaches, delivering actionable feedback to optimize effectiveness and overall results.

Outreach Manager, WorkEdge **2024 - March 2024**

- Developed and implemented structured outreach strategies to build meaningful connections with potential clients and strategic partners, ensuring consistent and effective communication.
- Coordinated, managed, and supported outreach initiatives and events, helping strengthen brand presence, improve visibility, and foster long-term professional relationships.

WORK EXPERIENCE

Freelance Web Developer **2023 - Present**

- Designed and developed responsive, user-focused web applications using Next.js, TypeScript, Tailwind CSS, Firebase, and Appwrite, ensuring performance and scalability.
- Built and maintained features such as authentication systems, admin dashboards, booking workflows, and API integrations.
- Collaborated with clients to translate requirements into functional solutions, delivering projects on time with clean and maintainable code.

Freelance Mobile Developer **2024 - Present**

- Developed functional mobile applications using Flutter and Dart, implementing authentication flows, profile management, navigation, and data-driven interfaces.
- Converted UI designs into responsive mobile layouts and reusable components aligned with modern mobile development practices.
- Integrated mobile applications with backend services and APIs to ensure smooth data flow and reliable app performance.

YouTube Faceless Video Editor / Clipper **2024 - Present**

- Created short-form faceless content for YouTube Shorts, TikTok, and Instagram Reels, focusing on engaging hooks and audience retention.
- Identified high-impact moments from long-form videos and produced clean, well-paced clips with captions and visual enhancements.
- Optimized videos based on platform trends, improving watchability and consistency across content uploads.
